2. The applicant shall furnish proof that the mechanical failure was repaired promptly. This should be in the form of a licensed plumber's invoice or statement or a materials receipt.
3. The adjustment shall be granted only for the billing period prior to the correction of the failure.
4. For those accounts granted an adjustment of the premium rate charges, the minimum adjusted rate shall be forty percent (40%) of the actual bill which shall include the premium rate charges and sales tax.

The Water Appeal Board shall consist of the Mayor, the Water Superintendent and the City Council, unless appointed by the Mayor and City Council.
