## Get Involved with Macedonia Heart & Soul

By Lyman Orton, Founder of Heart & Soul

“Welcome Macedonia Community Heart & Soul to our growing family of Community Heart & Soul towns.

Many great things have happened in other Heart & Soul towns, & I bet they will in Macedonia, too. Once a town comes to deeply understand their Heart & Soul, the residents & their elected leaders develop the confidence to stop waiting for “help” from the outside, take matters into their own hands, & start acting on ways to renew the community to support & actualize their own Heart & Soul.

It's up to those of us who live in small cities & towns to reimagine economic development as emerging from within. The old silver-bullet approach — just get a new factory to move to town & our problems are solved — has not worked. Through identifying what matters most—as we live our daily, monthly, seasonal, & annual lives in the town we love—amazing things happen.”

**Macedonia's Little Library, located on Main Street, is a great resource for books!**

Invoices are mailed out on the 1st of each month, and payment is due on the 25th. A \$10 late fee will be applied if payment is not received by the due date.
