## Macedonia Community Pride

Reminder that we are entering another mowing season, & it is the responsibility of each property owner to maintain their property in compliance with City Code.

Cutting Grass/Weeds—The owner or occupant of any premises shall mow grass & prevent the growth of weeds & other noxious growths upon any such premises & the parkings & alleys adjacent thereto before such grass/weeds & noxious growths become a breeding place for mosquitoes, or the harboring place of filthy deposits, so as to be dangerous to the health of the community.

Failure to maintain your yard & property in compliance with City Code will result in a legal notice to abate. The City will enforce Chapter 52.01 & if necessary abate the conditions at a cost to the owner. Maintaining your yard & property shows pride in our Community!
